Terri Pearsons and her husband, George, are Senior Pastors of Eagle Mountain International Church (EMIC) at Kenneth Copeland Ministries (KCM), where they have pastored since 1993. Terri has ignited the fires of prayer at EMIC. Through Prayer School and a dynamic network of prayer groups, she has brought life into the prayers of believers worldwide. Terri Copeland Pearsons, eldest daughter of Kenneth and Gloria Copeland, first discovered the adventure of prayer as a little girl praying at her grandmother's side. Drawing on that rich heritage of faith, she connects people with the living presence of God, teaching them who they are in Christ Jesus and how to pray from that position.

Deloris R. Freeman, affectionately known as DeeDee, is the wife of Dr. Michael A. Freeman, Pastor and Founder of Spirit of Faith Christian Center, a ministry focused on faith, family and finances. Devoted to the vision of the ministry, DeeDee serves alongside her husband to ensure that his God-given assignment is carried out. An example to many, her lifestyle and teachings both inspire and challenge women to develop strong relationships with God and with their families.

As the founder of Women Walking in the Word, a women's fellowship of over two thousand women, DeeDee is a trail-blazer in women's ministry. Women Walking in the Word continues to grow; more than tripling in size since its inception.

DeeDee attributes her success to God, her parents and the continual leadership and support of her husband.

Michelle Ferguson had to constantly rise above criticism, being misunderstood, unrealistic and unfair expectations. Through it all, she decided to be a part of a generation that, rather than resent God for the mishaps of her life, she would be a catalyst to spur people on to success no matter how impossible their circumstances may seem. She has made it her goal to instill high self-esteem in people by revealing their priceless value in Christ Jesus.

Today, Michelle is a CEO of an international ministry and an award winning flautist. A graduate of Rhema Bible Training Center, she is an author, a conference speaker, and an inspiration to thousands of people all over the world.
